NAMI Walks Northwest

About NAMI in Oregon

Located in Portland, NAMI Oregon is a nonprofit, grass-roots organization that addresses the mental health needs of our community. Working with 16 affiliates around Oregon, we provide essential education, advocacy, and support services, both online and in person. We also shape statewide and local public policies that affect mental health services by sharing our personal stories. NAMI Oregon is proud to embrace our role as a leader in the field, and grateful to our partners in helping to make this possible.

Participant Information

There is no registration fee for the walk. Everyone is encouraged to participate – physically doing the walk is not a requirement! All walkers raising \$100 or more receive a NAMIWalks event t-shirt.

Walk Teams and Participation

Join us for the Northwest's largest mental health event! Each May, approximately 5,000 people from Oregon and Southwest Washington come together to make a statement that mental health matters, that no one should be embarrassed to ask for help, and that recovery is possible. Funds raised at the walk help support NAMI programs and services, which are offered at no cost to participants.

NAMIWalks Nationwide

The largest mental health education and fundraising effort in America, NAMIWalks brings together thousands of individuals and supporters to celebrate mental illness recovery, to honor those who have lost their lives to mental illness, and to help raise funds, combat discrimination, and promote awareness.

In 2023, more than 80 NAMIWalks events raised approximately \$11 million to support local programs and initiatives that improve the lives of individuals living with mental illness, as well as their family members and loved ones.

About NAMI

NAMI, the National Alliance on Mental Illness, is the nation's largest grassroots mental health organization dedicated to building better lives for the millions of Americans affected by mental illness. From coast to coast and around the globe, mental illness affects everyone. Every year, regardless of race, age, religion, or economic status, mental illness impacts the lives of at least one in four adults and one in 10 children across the United States—that is nearly 60 million Americans.

NAMI has more than 1,000 affiliates in communities across the country who engage in advocacy, support, and education. NAMI affiliates in Oregon participate in the NAMIWalks Northwest.

Join us – your support enables us to help improve the lives of all who are impacted by mental illness.
