

NAMI Clackamas is a 501(c)(3) nonprofit whose Board of Directors is member-elected and member-governed. Learn more about NAMI Clackamas [here](#).

We are currently accepting nominations for the NAMI Clackamas Board of Directors.

NAMI Clackamas' Board of Directors are representative of the geographic diversity and variety of nonprofits that comprise our membership. You or someone in your organization may find serving on one of our Boards of Directors a rewarding experience.

Serving on the NAMI Clackamas Board is an opportunity to play an integral role in addressing major issues regarding mental health in Clackamas County and Oregon. You don't need anything but lived experience to qualify, and we provide free training and mentorship.

We are looking for board members who are willing to take a holistic approach to board service. Members willing to share their time, talent and treasure. NAMI Clackamas board members are willing to participate in activities or on committees (time), and contribute their knowledge and expertise (talent) and participate in giving or securing finances (treasure). The latter can be in a number of ways, from writing a check, being on our board NAMIWalk team and getting your friends, family and colleagues to participate, providing or helping us find in-kind services, serving on a fundraising committee or helping with an event, introducing NAMI Clackamas to folks who might be interested in sponsoring an event or donating, and the possible list goes on and on. A successful board member gives an average of 3-10 hours per month, although that could be more some months and fewer in others depending on which ways a board member participates. Board members need to pass a background check.

Nominate as many prospective NAMI Clackamas Board members as you like (you may nominate yourself). Click here for [Nomination form](#) and [information](#). Please participate in this process!
