

## 2023 Sponsorship Opportunities!

NAMI Clackamas provides support, education & advocacy for all those with mental health challenges, as well as all those who care for and about them, all delivered by trained volunteers with lived experience. That's peer support at its best...and that's what we do!

The theme throughout is to celebrate mental health and recovery and the goal is to end the stigma by putting real faces and real stories to this thing called "mental illness".

Our sponsorship opportunities include a little something for everyone and fit all budgets big or small.
